We are excited to share an update on the search for our next Head of School. Following in-depth interviews with a strong and talented group of semifinalist candidates, the Search Committee has identified a small group of finalists we look forward to welcoming to campus in the next two weeks.

Reaching this stage of the search is the result of a thorough and intentional process, and we are excited to host this group of highly talented educators on campus. We look forward to showing the candidates the very best of BCD—our beautiful campus, warm community, and the dynamic ways our mission comes to life every day. We hope each candidate will leave BCD even more excited about the opportunity than when they arrived.

Finalist Dates

Each finalist will spend time on campus at BCD, meeting with representative faculty, staff, students, parents, alumni, and the Board of Trustees.

We are holding the following dates for finalist visits:

Finalist 1: November 12-13

Finalist 2: November 15-16

Finalist 3: November 18-19

These visits are a critical part of the process, giving each candidate the opportunity to experience BCD''s culture and community firsthand and allowing us to engage with them thoughtfully as we near a final decision. Please watch for additional details about these visits.
