Mission Statement

Berkshire Country Day School exists to inspire the individual promise of every student, that each may become an exemplary citizen of the world.

Philosophy

Berkshire Country Day School is dedicated to encouraging academic excellence at the highest level and to realizing each student's potential for well-rounded development. We provide a stimulating and challenging education in a supportive and nurturing environment. In the spirit of inquiry and discovery, students learn to be resourceful and responsible. In an atmosphere of mutual respect, students learn about community and caring for others. Berkshire Country Day School is a place where each student can meet success as a 21st century learner.

Inspiring Moments

At Berkshire Country Day School, our students benefit from an education that is tailored to each individual. Our teachers recognize each student's strengths, embrace each child's challenges, and celebrate the uniqueness of everyone's individuality. This personal approach is what makes BCD what it is: a school that exists to inspire the individual promise of every student.

A BCD education is made of hundreds of moments. In this publication, we have included a timeline to remind you of a few of these moments but we also know that many of the most important moments are more fleeting and specific to the individual: a coach's encouraging words after a hard game, a teacher's thoughtful comments on an essay, or a peer's hug at the right moment.

It is you, as a donor and member of the BCD community, who make these moments and the quality of our programs possible. While tuition pays 90 percent of a child's education, our donors help to pay for the rest through annual giving and major gifts. During the 2010-11 year, five percent of BCD's

operating budget came from the Annual Fund. This means that five percent of faculty salaries, program costs, campus upkeep, and scores of memorable moments were provided by donors like you. In addition to the Annual Fund, designated gifts and gifts to endowment help BCD expand its current programs and facilities and provide long-term stability for the School.

This amazing support is what makes each year at BCD a success, and the 2010-11 school year was no exception. Thank you for your generosity and support of our school.

Gratefully yours,

Paul Lindenmaier
Head of School

Outstanding Achievements

On behalf of the Board of Trustees, thank you for your support of Berkshire Country Day School during the 2010-11 school year. With your support, we were not only able to provide a topnotch education to 215 children, but we were also able to guide and influence the overall well being of the School.

The following is a selection of achievements that you helped make possible:

- ▶ *The Master Facilities Plan for BCD, a blueprint for the ongoing improvement and stewardship of our treasured campus, was completed.*
- ▶ *The Theater program was expanded to grades 1-9, and a new Spanish program was introduced.*
- ▶ *Buildings were updated: new roofs were installed on Albright Hall and Fitzpatrick Hall, the interior of Ryan Hall was renovated, and new carpet was installed in several classrooms.*
- ▶ *Computer labs were equipped with new computers.*
- ▶ *Endowment donations supported increasing faculty salaries between 4.5 and 8 percent, assisting us in our efforts to hire and retain the best teachers for our students.*

- ▶ *We completed our third year with a balanced budget and a modest excess.*
- ▶ *Our 1:1 campaign led to an increase in enrollment.*
- ▶ *The first annual ArtSoirée raised over \$50,000 for financial aid.*

Without your support, we would not have achieved these and many other objectives. Thank you again for your generosity.

Sincerely,

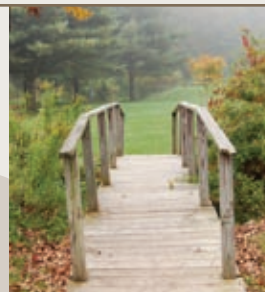

Claire Naylor-Pollart

President, Board of Trustees

October 31 Halloween

Ghosts, goblins, witches, and fairies invaded campus on Halloween.

November 6 Community Campus Day

Close to 80 volunteers spent a beautiful fall day repairing the bridge, installing a bench swing, painting, cleaning overgrowth and raking leaves.

2010-11 Leadership Volunteers

We would like to thank and acknowledge the many volunteers who gave of their time and talent in support of the School and our students. Our Leadership Volunteers for 2010-11 chaired events, sat on Board committees, coached, taught, supported theater productions, took photos for the School, made calls in the phonathon, were class parents, and generally answered the call of service on behalf of our school community.

2010-11 Annual Fund Donors

The Berkshire Country Day School Annual Fund supports the day-to-day experiences of our students. Each year, the School must raise close to \$1,000 per student to make up the difference between the price of tuition and the true cost of a BCD education. During the 2010-11 year, 300 donors gave close to \$200,000 to the Annual Fund.

JOIN THE BROOK FARM SOCIETY

The Brook Farm Society recognizes those families and individuals who have made a legacy gift to the School through a bequest in their will or some other type of planned gift. By including BCD in their estate planning today, Brook Farm Society members ensure a strong and sustainable financial future for the School. A planned gift is a way to make a gift now that will provide immediate financial benefits to you and future benefits to BCD. Making a significant gift to BCD does not automatically mean parting with income from assets. There are a number of ways to make a gift while keeping income and realizing current tax deductions. For more information, consult your tax advisor and contact Amy Elmore in BCD's Development Office.

**June 18
 65th Anniversary and Alumni Reunion**

More than 100 people came to campus to reconnect with their classmates and teachers, look through old yearbooks, take tours, and see a retrospective slideshow. The highlight of the day was a recognition ceremony honoring members of the Stokes/Hatch family (whose grandparents used to own Brook Farm campus) and faculty members Adrienne Cosel, Carmen Dockery Perkins, Eugénie Fawcett, Jim Fawcett, Marcia Jones and Kay Sadighi.

Endowments

While gifts to the Annual Fund support the education of current students, gifts to endowment provide for the School's future. In addition to our general endowment, friends of Berkshire Country Day School have created the following endowments to provide support for BCD.

The Fifth Decade Fund

The Fifth Decade Fund was started in 1986 in celebration of BCD's 40th birthday and the School's focus on teacher salaries.

Class of 2004 Endowment Fund for Financial Aid

This endowment was established by the BCD2S Class of 2004 as a departing gift to their school and provides financial support for those eligible and deserving students who require tuition assistance to attend BCD.

Chauncey Loomis Endowment

This fund was established in 2004 by friends and admirers of Chauncey Loomis. Upon the closing of the Secondary School, Chauncey Loomis directed that annual proceeds be used to support the Head's Discretionary Fund.

Class of 2005 Endowment Fund for Financial Aid

This endowment was established by Brian and Lois Levinsohn and the BCD2S Class of 2005 in memory of Samantha Levinsohn '052S. The fund provides tuition assistance to eligible and deserving BCD students.

Donald T. Oakes Fund for Academic Excellence & Citizenship

Donald Oakes was BCD's Head of School from 1958-1968. This fund was created in 2003 by Donald and Betty Oakes on the occasion of Mr. Oakes' 80th birthday celebration, which was hosted by BCD. The fund supports prizes given annually to BCD students in recognition of exceptional performance.

Tracy MacGruer Faculty Endowment for Professional Development

Tracy MacGruer Swanson was one of BCD's most beloved faculty members, having worked at BCD for nearly 30 years (1963-1992). This endowment was established in 2004 to support the continued professional development of her colleagues and future generations of BCD faculty members.

James C. Kapteyn Endowment for Environmental Studies

To honor Jamie Kapteyn's life and passion for rivers and conservation, The James C. Kapteyn Endowment for Environmental Studies was created in 2010 by his friends and fellow BCD classmates. Jamie, a BCD alumnus (Class of 1976), was an inspiring educator, poet, avid fisherman and lover of rivers. Proceeds from this endowment will be used to underwrite an annual educational experience on the Hudson River Sloop Clearwater as part of the 8th grade biology curriculum.

The Kapteyn Scholarship

The Kapteyn family established this scholarship in 1981 by in honor of their parents, Jim and Jancy Kapteyn.

The Endowment for Faculty Salaries

Established in 2009, this endowed fund was created to support BCD's teachers. The draw on this endowment supports faculty compensation, making it an essential resource for BCD's efforts to attract, hire, and retain exemplary teachers.

The Exploration Fund for Professional Development

Seeded in 2010, this endowed fund provides annual proceeds to support the professional growth and care for BCD's faculty. Gifts to the fund ensure that BCD's faculty can imagine innovation in their practice and invest in ongoing programs designed to enhance, maintain, and refine their competencies. This growth is essential to school improvement and increased student success. Special consideration is given to faculty teams seeking to invest in collaborative learning and/or projects when awarding grants from this fund.

ArtSoirée

Our first annual ArtSoirée fundraiser for financial aid exceeded our expectations in every way. More than 150 people attended, the donations to the auction were stupendous, the setting was superb, the music was magical, the food was plentiful, the desserts were delicious, the weather was perfect, and we raised more than \$50,000 for financial aid at BCD. The success of the event is due to the hard work of Co-Chairs Donna Kittredge and Marianna Poutasse and their dedicated group of volunteers.
